ROMNEY RIDGE FARM YARN CO. 2010 WHOLESALE PROGRAM

*Romney Ridge Farm Yarn Co. turns Maine-grown wool in to beautiful hand-dyed yarns. Produced entirely in Maine, our business supports Maine farms, a new wool scouring business in Waldoboro, Maine, as well as a historic spinning mill in Harmony, Maine. Our yarns are hand-dyed in small lots in our dye studio in Woolwich, Maine. We even use dyes that are made in Maine.
We are proud to be 100% Made in Maine.*
